IMPORTANT DETAILS

Our Camps Include:

All camps include experienced staff/coaches, supplies and a camp t-shirt (most programs). Depending on the camp, transportation, lunch and entry fees may be included.

Our Staff:

Camp staff is hired based on their experience working with children, education, character and knowledge. All staff have passed the City of Troy's background check as well as attended staff orientations. Some staff have basic first aid training.

Inclusion/Accessibility:

Please mark the "Accommodations Box" on your registration form when registering if your child needs special accommodations. To allow sufficient time to coordinate inclusion support and accommodations, please register at least three weeks prior to the program start date. This advance notice will provide time for consultation between staff and parents. If you have any questions about inclusion in one of our programs, please contact the Recreation office at 248.524.3484.

Camp Refund/Transfers:

A request for a refund or transfer **must be made PRIOR to the first morning of your camp.** (other restrictions may apply-see your camp description) There is a \$10 service fee for all refunds. Refund requests after that time period will not be granted. Non-attendance or non-participation does not entitle a patron to a credit or refund of registration fees.

Staff to Camper Ratio:

Staff to Camper ratio: 1:10
Rainbow Preschool Camps: 1:8
Robot/Science Camps: 1:18
Sports Camps: Approx 1:10
Safety Town: Approx 1:8

What to send to Camp:

All campers going to camp for a full day should bring a water bottle, snack, healthy lunch and sunscreen, each day. For some camps you will need a bathing suit and towel. Be sure to label all personal belongings.

What NOT to send to camp:

Expensive electronic devices such as MP3 players, ipods, gaming devices, money or expensive jewelry. Troy Recreation Department staff is not responsible for lost or stolen items.

Emergency Form:

Most of our camps require an Emergency card/form on file with camp staff in order to participate. These can be obtained at the front desk of the Recreation office. Our camp staff is qualified in minor first-aid techniques. Any major emergency will be handled by EMS.

Late Fees:

The following fees will be charged for being late when picking up your camper.

- \$10 for up to every 15 minutes late in picking up a child (example – if 25 minutes late, fee would be \$20)
- The parents will be called after the first 15 minutes. If they are unavailable, the emergency contacts will then be called.
- After 40 minutes, the program Supervisor will be contacted; followed by the Troy Police Department to pick up the child.
- Any late fees must be paid in full by cash, check, mastercard or visa prior to the next day of the program/activity. If the program/activity has concluded, the balance will be due to the Recreation department within 10 days.
- The Troy Recreation department reserves the right to dismiss any child from the program, without a refund, due to excessive early drop-offs and/or late pick-ups.

Inclement Weather:

For most of our programs, the campers will spend a lot of time outdoors so they should dress according to the weather. Hats, sunscreen, and jacket/sweatshirt should be considered as regular items to bring to camp. Activities **will be altered** if the weather is inclement (too cold, raining or extreme heat index). All weather decisions are made by Recreation Supervisor and Camp Coordinator. *Non-attendance or non-participation does not entitle a patron to a credit or refund of registration fees.*

Sun Protection and Safety:

Because most activities occur outdoors, children are at risk for sunburn. Participants should arrive with sunscreen already applied and additional sunscreen in their bag with their name on it. Staff will ask campers at least once to reapply sunscreen after lunch.

Extended Before/After Care:

Some of our day camps have the option of before and/or after care. Most often this care is a chance for the camper to relax and unwind and enjoy a snack with a friend. Typical activities may include puzzles, board games, a small craft or reading time. Registration deadline for this care is one week prior to the start of each camp. There is an additional fee for this service; late fees apply for being late when picking up your camper(s). Camper should bring their own drink and/or snack.
